Ramakone Alice Madisha
Director

Director Statement

Ensuring that we offer our customers the best service possible

Our company is solutions driven, ensuring that we offer the best and cost effective solutions for our clients.

STRIVING FOR THE BEST

Alice has a National Diploma in Quantity Surveying and a B-Tech degree in Construction Management. She has experience in tendering, site management with particular reference to various aspects on programming, information flow, measuring and managing construction work in the private sector on a number of high profile projects with Growthpoint properties to name one.

A graduate of the Incubation Programme which was underwritten by Property Point, Alice's diverse experience in various industries is extremely advantageous as Divina Construction have the capability to offer their expertise to numerous different projects and industries, not only construction. She is also a member of the Women's Property Network.

Our construction management and implementation focus on partnership and collaboration with the client throughout the entire process. Engaging from the start with our clients ensures our management team finds cost-effective solutions for project challenges, while at all times complying with the design intent and overall project objectives.

OUR MOTTO IS TO BE

Benefits to Clients

We offers many benefits to clients. Our professionals have access to high-quality paints and materials, as well as the knowledge and expertise required to apply them effectively.

We can also help clients save time and money by managing projects efficiently and avoiding costly mistakes. Finally, supply and painting contractors can provide valuable advice and guidance on colour selection, surface preparation, and other aspects of the painting process.

We play a vital role in the construction and maintenance of buildings and structures. Our expertise and attention to detail ensure that painted surfaces are not only aesthetically pleasing, but also durable and safe.

Whether working on a small residential project or a large-scale industrial job, supply and painting contractors bring a level of professionalism and skill that is essential to the success of any painting project.
